### FEATURES & OPTIONS

### Vehicle Description

This 2012 Ford Fusion SE just came in on trade from a great client. We originally sold them this car in 2014 with 7,000 miles. This is a non smoker, no accident, garage kept super low mileage car. Car only has 44,000 miles! That's no mistake. The car runs and drives like new. We have both sets of keys. The car is equipped with alloy wheels, power driver seat, power windows, locks, mirrors, Microsoft sync system and more. Give us a call we can also help with financing. Thank you.
