### FEATURES & OPTIONS

### Vehicle Description

This van just came in on trade from my sister. I originally sold it to her with 12,000 miles and have always serviced it since she has owned it. The van only has 59,000 miles and is equipped with all the bells and whistles. The van has heated leather seats, back up camera, dual power doors, power rear lift gate, push button start, two sets of keys, factory remote starter, running boards and much more. Give us a call we can also help with financing.
