Vehicle Description

Call for price. This 2013 Chevrolet Avalanche Black Dimond Edition just came in on trade. We originally sold it to a very close friend of mine when the truck has 24,000 miles. The truck has been meticulously maintained. Always serviced at the GM dealer. We have repair invoices to share. The Avalanche is equipped with the bigger tire package, heated leather seats, Bose Sound System, 4x4, moon-roof, factory remote starter, back up camera and more. The truck runs and drive great. Come and take a look we can also help with financing. Thank you!
