### FEATURES & OPTIONS

### Vehicle Description

This beautiful 2014 BMW M235i just came in on trade. We originally sold this car to a dear friend and great client. We have done all the service work since they have owned it. We just put all new brakes and rotors on the car 1,500 miles ago. This good looking ride only has 44,000 miles. The car runs and drives great. This car is equipped with push button start, keyless remote (two sets), power windows, locks, mirrors, back up camera, and more. Give us a call we can also help with financing.
